### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance for claims 31-32:

Claims 31-32 are directed towards an unobvious improvement over the inventions patented in U.S. Patents 3,112,914 and 6,193,141. Both of these references disclose respective rotor blades having a respective blade pan 14, 12, and a respective blade footing 17, 21, wherein the blade footing includes a V-shaped portion and the blade footing includes a respective non V-shaped portion 16, 14, and a respective groove (unnumbered but near 17, and unnumbered but near 16) that extends along a length of the rotor blade. The improvement comprises the non-V-shaped portion disposed between the V-shaped portion and the groove. None of the prior art of record discloses or suggests the improvement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
